

# Pope Band Concert Attire

The Pope Band offers 3 options for student concert attire:

- Tuxedo Rental
- A Concert Dress
- (New this Year!) Concert dress slacks and stylish top/blouse

See the pages in this document for further information on each of these options!

**Note, for the 2023-2024 school year the first Concert for the bands is Monday, November 6th, 2023.**

Over the next month we will have parent volunteers helping to size our students for these options. If you are interested in assisting with this effort, please sign up here:

Note, as an exception to these offerings, due to the nature of their movement around to various instruments in concerts, **students in the percussion section may choose:**

## **For Pants:**

- Rent the tux pants only (\$25 for Concert Band Only Students, \$0 for Marching Band Students or Friday Night Student Band)
- Or use dress black slacks they already have or that they purchase (they MUST be dress black - no Chinos or black Khakis)

## **For Tops:**

- Use a black button up dress shirt or a black blouse they already have
- Or purchase a black button up dress shirt or the Helena top from the concert dress slacks and top option mentioned above

**To purchase the Helena Top from Option 3 to wear with dress black pants you already have or that you purchase, contact Danna Clary prior to Sept. 15, 2023.**

# Pope Band Tuxedo Rentals

**Note:** The first concert for Pope Band's Concert bands is **Monday, Nov. 6, 2023**.

The Pope High School band program provides for the rental of a black tux (pants and jacket) for students who request a tuxedo. All students who rent a tuxedo will be responsible for providing their own shirt, shoes and socks to wear with their tux. If you wish to wear a personally owned tuxedo, you must email Danna Clary at [dndclary@gmail.com](mailto:dndclary@gmail.com).

## Hemming your Tuxedo pants:

The length of your student's pants must be sized properly for their height by hemming (sewing) prior to the first concert. You may do this yourself or take it to a tailor / seamstress. Do not cut the pants and do not use adhesive backed hemming tape. The hem must be able to be removed prior to return.

### **DO NOT CUT THE PANTS!**

No matter how much fabric has to be turned up, the pants cannot be cut.

### **DO NOT USE IRON-ON HEM TAPE!**

For those without sewing skills, adhesive backed tape can be very tempting. You may think, "no one will ever know." When you 'remove' the tape and dry-clean the pants, a residue remains. It will ruin the pants. Do not use sticky backed tape.

**LET'S BREAK IT DOWN** THE PERFECT HEM CAN MAKE OR "BREAK" YOUR LOOK.

 <p><b>TOO SHORT</b> Are your socks making an appearance when you are standing up?</p>	 <p><b>TOO LONG</b> Do you see fabric bunching up at your ankles &amp; covering your shoe laces?</p>	 <p><b>JUST RIGHT</b> Clean straight hem when standing.</p>

2. Professionally dry clean the tuxedo - Jacket and pants must be returned in the dry cleaner's plastic bag **with the receipt attached**
